GSLBA ANNUAL REPORTS - 2026

Jocelyn Player – 2026 GSLBA Bio update

Volunteer service has always been important to me, and joining the GSLBA board was a meaningful way to give back to the bowling community that has shaped so much of my life. I grew up in bowling alleys, and bowling remains something I truly enjoy and hope to continue participating in for years to come.

For the past three years, I have served as a GSLBA director, contributing to the Bowl 4 a Cure, BVL, and Hall of Fame committees. I have supported nearly every tournament date during my time on the board, and I have represented our association as a State Delegate for the past two years as well as a National Delegate in 2025.

I have appreciated the opportunity to serve on the GSLBA board and the ability to build relationships with bowlers throughout our community. I would be honored to continue supporting our bowlers, strengthening association programs, and helping GSLBA grow for the future.

My education and experience is in Accounting, Human Resources, Finance, and Customer Relations. I am currently employed by a large auto dealership in the Salt Lake area as the Office Manager. With my diverse skill sets I have found this to be an asset and compliment the needs of the board. I believe there is always a solution to any situation and that compromise is a solution.

I started bowling around the age of 19. I have worked in a few Bowling Centers over the years as well. My oldest started bowling at the age of one; this was when I started working on and earned my coaching certification. However, I was not exposed to the ability to serve the bowling community beyond my children until around 2005. This is when I became more involved with the bowling community and learned about the Associations on the Local, State, and National levels. This service on both local and state levels is something that gives me great pride and fulfillment. It is with the love and support of my husband and family that I am afforded the ability to give many many hours of service to the bowling community and to the sport that I love.

Thank you for allowing me the opportunity to serve the bowlers of the Great Salt Lake USBC. I would be grateful, humbled and honored to continue my service to the membership and community.
